PROJECT DESCRIPTION

PROJECT SCOPE

Construction is expected to begin in Spring 2017 and includes a boat launching facility, car/trailer parking, restroom facilities and associated infrastructure. All proposed improvements will be ADA compliant. The boat launching facility is designed for small vessels with non-combustible engines. The parking area will service both the boating area and adjacent trails.

PROJECT NEED & PURPOSE

Construction of this facility will provide additional non-motorized freshwater boating access to residents of central Palm Beach County. The restroom and car parking area will provide needed support facilities for the recently opened trail system.
