Palm Beach County Fire Rescue
405 Pike Road, West Palm Beach, Florida 33411
(561) 616-7030

Permit issued to: Insured: _____

Lead Effect Operator: _____

Location of Effect: _____

Date & Time of Effect: _____

Permits for flame effects shall be governed by the conditions of National Fire Protection Association Pamphlet No.160 as adopted, and in Sections 1-3 of this permit:

1. Any fair, association, amusement park, other organization, individual or group of individuals shall apply to the Fire Marshal of the County Fire-Rescue Department for a permit for the flame effect at least fifteen (15) days in advance of the date of the display. The application shall contain the following information:
 - A. The exact location of the flame effect; and
 - B. The flame effect classification; and
 - C. The name(s) and qualifications of the person(s), individual(s), organization(s) or group(s) performing the effect; and
 - D. Liability insurance policy in an amount specified by the fire marshal in a minimum amount of \$1,000,000.00 (one million dollars) in which Palm Beach County is named as a co-insured; and
 - E. **A non-refundable fee of \$100.00 (One Hundred Dollars); and**
 - F. If the location of the flame effect is in a Public Park operated and maintained by Palm Beach County, a copy of the resolution or other authorization of the Board of County Commissioners of Palm Beach County authorizing said display.
 - G. A current material safety data sheet (MSDS) for the materials (fuels) consumed in the flame effect; and
 - H. Documentation that the combustible materials used for construction of the flame effects have been rendered flame retardant.
 - I. Flame Effect Operator must be at least 21 years old.
2. A site plan showing the following:
 - A. A narrative description of the flame effect
 - B. The location of flame effect devices to be fired and their control and control sequence
 - C. The area affected by the flame effect device
 - D. The location of the audience
 - E. The fuels used and their estimated consumption
 - F. Air for combustion and ventilation for indoor effects
 - G. Flammable materials piping
 - H. Storage and holding areas and their capacities
 - I. Supplemental fire protection features
 - J. Emergency response procedures
 - K. Means of egress
 - L. Two (2) water pressure extinguishers (2A)
 - M. Two (2) BC-Extinguishers (10BC)
 - N.

This permit applies to Palm Beach County Fire Rescues approval only.

3. The Fire Marshal of the County Fire-Rescue Department or his designee may issue a permit to the applicant upon satisfaction of the conditions stated in sections 1-2. Any permit issued by the authority having jurisdiction shall be subjected to suspension, revocation or denial by the AHJ's determination that conditions exist which make the permitted activity imminently hazardous to life or property such as drought, wind conditions, or any other conditions deemed hazardous. Pursuant to Palm Beach County Fire Code section 1-12.7.4, 2014 edition. A copy of the written permit shall be mailed to the Sheriff of the County.
