## Consolidate Amendments by Article

The Zoning Division is currently processing the recent ULDC amendments since August 2005 to consolidate them into the ULDC. We anticipate being able to provide our customers with the insert pages by December 2006. In the meantime we have tried to consolidate the changes to the various Articles in a temporary PDF document for you to download. The links below will provide you Article by Article the Amendments to the ULDC adopted since 2005 that are not in the official ULDC code.

Please print these PDF pages and insert them into your various Articles until the Zoning Division can provide you with "official" insert pages.
