

PZ&B Zoning Division

Attention Customers

The Zoning Division has revised our official Zoning Calendar for the month of July to accommodate for the move to our office at Vista Center. In order to ensure a smooth transition for both customers and staff, deadlines and meetings have been changed. We are notifying everyone in advance so you can adjust your schedules for July. The Zoning Division will be open for regular business for staff to continue to process applications in process, respond to customer inquiries by phone or walk-in and process minor requests that do not require files that are being moved.

We apologize for any inconvenience and appreciate your cooperation during our move to Vista in July 2006.

If you have any questions contact either Jon MacGillis or Maryann Kwok at 561-233-5200.
