Notes: This Zoning Application Checklists and Naming Guide is established to assist Applicants, Agents and Staff with consistency in submitting and naming of documents for applications submitted to the PZB Zoning Division for Public Hearing and Administrative Application processes. The correct and consistent naming of documents will result in the application's acceptance and certification for sufficiency. Please review and submit the "Required" Forms, Plans and Documents based on the specific Zoning application type; additional "Supporting Document"s are submitted based on the application request(s). Documents not listed shall be named and submitted in similar format as listed herein. Staff reserves the right to request additional documents, as applicable to the application request(s).

Contact the assigned Project Manager or PZB Zoning at 561-233-5200, if questions.

PUBLIC HEARING APPLICATION PROCESSES

Important Notes: For submittal of applications, the applicant must use the most current Application Form/Checklist as provided by the County. It is the applicant's responsibility to submit all applicable forms and supporting documents based on the application type and request(s). Save each completed Form, Document or Plan individually and name them as identified below. Incorrect naming of Form/Document/Plan may result in delay of the review process and be considered a factor for an Insufficient Application. Additional forms and documents may be requested by Zoning Staff, as applicable; if not listed below save, name and submit in similar format as below.

Types of Applications: The list of documents below are required for any Public Hearing application process, in accordance with ULDC Art.4 (refer to matrices in ULDC), such as: Conditional Uses - Class A or B; Zoning Map Amendments (Standard District or PDD or TDD); Development Order Amendment; Development Order Abandonment; Transfer of Development Rights; Type 2 Waivers; Type 2 Variances; Architectural Review Type 1 & 2; Congregate Living Facility - Type 3; etc.

ADMINISTRATIVE MODIFICATION TO A PRIOR DO - ZAR

Important: The Administrative Modification application may ONLY be submitted through the Online Submittal System from 5pm Monday to 12:00 pm on Tuesday of each week. Applicants may choose to discuss their project and online application with Staff by scheduling a Pre-Application Appointment prior to submitting online. Contact staff at 561-233-5221 to schedule a DRO appointment.

Important Notes: For submittal of applications, the applicant must use the most current Application Form/Checklist as provided by the County. It is the applicant's responsibility to submit all applicable forms and supporting documents based on the application type and request(s). Save each completed Form, Document or Plan individually and name them as identified below. Incorrect naming of Form/Document/Plan may result in delay of the review process and be considered a factor for an Insufficient Application. Additional forms and documents may be requested by Zoning Staff, as applicable; if not listed below save, name and submit in similar format as below.

ZONING CONFIRMATION LETTER (ZCL)

Important Notes: For submittal of applications, the applicant must use the most current Application Form/Checklist as provided by the County. It is the applicant's responsibility to submit all applicable forms and supporting documents based on the application type and request(s). Save each completed Form, Document or Plan individually and name them as identified below. Incorrect naming of Form/Document/Plan may result in delay of the review process and be considered a factor for an Insufficient Application. Additional forms and documents may be requested by Zoning Staff, as applicable; if not listed below save, name and submit in similar format as below.

REQUIRED FORMS			INSTRUCTIONS FOR SAVING FORMS: Include Form Number and Form Name; (If there are multiple owners/contract purchasers, save each Consent separately and label with name of each owner or contract purchaser). Example: 3 Consent - Jones, Jane
